Event 6 - Sunday 11th November

Autumn Series Competition Information

Who are the events open to? **ALL** members with an active handicap.

How can you enter the events? Through the HDID “app” or by calling/ visiting the Professional shop!

How much do the events cost? The events cost £4 each which is taken from your levy card at the time of booking. We also have a “twos club” at a cost of £2 each event.

What format are the events? Each event will be played as an 18 hole stableford competition. The men will compete from the **BLUE** tees and ladies from **RED** tees.

What prizes are on offer? Aside from the “main prizes” mentioned, we will be offering divisional prizes for winners, runners up and third place finishes at each event.

How is the Autumn Series Scored? Each event will carry a points system. The golfer with the most stableford points at each event will be awarded 200 points, runner up 199, 3rd place 198 etc... Winners, runners up and third places will be decided on count back if needed. All other “tied” placings will share points, similar to when Professional golfers share placings with fellow competitors. We will then do separate results for divisional winners

How is the Autumn Series winner decided? After 6 events, we take golfers BEST 3 points scoring weeks and add these together. The golfer with the most points WINS!! So, the more events you play, the better your chances!!!
